ALL GOVERNMENT TEACHING HOSPITALS TO HAVE CHILDLIFE EMERGENCY ROOMS (ER) BY END 2018

Alhamdulillah, we are now getting closer to making Karachi Child-Safe. Our Emergency Rooms (ERs) in Karachi will be accessible by all needy parents for quality emergency care for their child by end May 2018. In the next two months we will be inaugurating our first two ERs outside Karachi in Shaheed Benazirabad and Larkana and InshaAllah by year end in Sukkur and Jamshoro. This will result in ChildLife supported and managed ERs in all government teaching hospitals in Sindh treating 1.2 MILLION Children absolutely free of cost in 500 bedded 9 ERs.

CAPACITY BUILDING: 4TH & 5TH PEMC BATCH GRADUATES

22 doctors were awarded certificates and trophies at our graduation ceremony of 4th & 5th batch of PEMC at Dow University of Health Sciences(DUHS). Professor Dr. Saeed Qureshi - Vice Chancellor DUHS was the chief guest.

We are passionate about continuous improvement and development of staff and processes. This certification is the only specialization program in Pediatric Emergency in Pakistan initiated by ChildLife in collaboration with Dow University.

WILLIAM OSLER CANADA SIGNS MOU WITH CHILDLIFE

William Osler Team from Toronto visited our Emergency Rooms. This visit was in line with their vision of 'patient-inspired care without boundaries' and they focused on emergency services and pediatric medicine. Memorandum of Understanding (MoU) was also signed between William Osler and ChildLife on how Osler will continue to collaborate with ChildLife in various trainings and accreditation.
