

ChildLife Volunteer Program

ChildLife Foundation offers volunteer program in Summer & Winter every year in collaboration with DOGANA (Dow Graduates Association of North America). It is a 5-day program where students from various medical & non-medical universities/schools from USA & Pakistan volunteer at one of our Emergency Rooms. They get trained in Basic Life Support (BLS), hands on experience in counselling patients, writing patient stories, conducting research and assisting staff. Registrations for December 2019 session are now open. Please email at fellow@schildlifefoundation.org
