

ChildLife steps in to treat children of Balochistan

ChildLife signed an MoU with the Government of Balochistan to establish a Pediatric Emergency Room in Civil Hospital Quetta, with paperless operations and free of cost treatment. This will be a 50 bedded Emergency Room with the capacity to treat 300+ children daily.

2nd Batch of ChildLife Volunteers

ChildLife launched its Volunteer Program in December 2018, where a group of 15 students from various universities & colleges of Pakistan and USA volunteered at Civil Hospital Children's Emergency Room. Our second batch of 11 students volunteered at Abbasi Shaheed Hospital Children's Emergency Room in June 2019. The volunteers were trained in Basic Life Support (BLS) and received hands-on experience in counselling patients, assisting doctors & nurses, conducting research.
