Treating 1 million in 2016-17

ChildLife Foundation is now geared to treat 1 million patients this year with its :

- 3 Pediatric Emergency Rooms at government hospitals treating 450,000 children / year.
- Primary care clinics in 22 slums of Karachi treat 500,000 patients/year In partnership with SINA Trust.

Foundation's life-saving equipment, trained staff & free of cost quality medicines have contributed towards increasing the survival rate from 15% - 90% of critically ill patients.

Jashan Ali - 4 years old travels 526 km for good emergency care

Jalal Din - a very tired and hopeless resident of Ghotki, Sindh - had been wandering here and there with his sick child for almost a month. Sadly no clinic and no doctor in his neighborhood could diagnose and treat his son out of his misery. Striving for his son Jashan's wellness, he had to travel to Karachi from Ghotki which is 526 km away from ChildLife Foundation's Emergency Room in Civil Hospital, Karachi.

For the last 15 days, Jashan Ali had been suffering from high grade fever with urinary infection. He came to the ER with the same condition, he was treated with antibiotics and other medicines to stabilize his condition and

Our hearts beat with Pakistan- A Pakistani supporter in USA

Pakistanis residing anywhere in the world want to see Pakistan as a prosperous and successful country. ChildLife Foundation is humbled to share that 15% of our funds are generated from the Pakistani Diaspora in North America. ChildLife Foundation is grateful to the Pakistanis in USA for organizing fundraisers this quarter in 8 cities, namely Fresno, Las Vegas, Houston, St. Louis, Stamford, Baltimore, Cincinnati, and Fort Lauderdale.
