PDHS (PAKISTAN DEMOGRAPHIC AND HEALTH SURVEY)

The latest Pakistan Demographic & Health Survey - the most authentic report on health indicators, shows a decrease in death rate of under-five children from 8.9% to 7.4% over a 5-year period. This reflects a system-wide improvement in ChildLife's area of work. We are humbled that our contribution of treating 2 million children in Emergency Rooms is having an impact.

PEDIATRIC EMERGENCY MEDICINE CERTIFICATE AWARD CEREMONY

Vice Chancellor - DUHS Prof. Dr. Saeed Quraishy awarded shields and certificates to 21 doctors of 6th & 7th batch for successful completion of Pediatric Emergency

Medicine Course (PEMC) at Dow University of Health Sciences.

ChildLife Foundation believes in continuous improvement in patient care and to fill the gap of training in the field of paediatric emergency, this specialized course has been designed to train our doctors. The objective of this course is to enhance the knowledge base of doctors so that they can recognize, manage and treat critically ill children.

USA FUNDRAISING EVENTS

ChildLife's supporters hosted a series of fundraisers in Cincinnati, Indiana, Florida, Pittsburgh, Detroit, Houston, Seattle and Bay Area for saving the children of Pakistan. We are humbled and thankful to the Pakistani diaspora for their participation and continuous support.
